# THANK YOU

Thank you to Deacon's Banks and Box for all their hard work in making our Church look AWESOME in time for the Pentecost Celebrations. Thank you very much!!

On the weekend of the biggest motorcycle gathering of the year, I was working at a restaurant nearby. When the roaring machines pulled up outside, our patrons' eyes swung toward the door and conversation turned into uneasy whispering.

A group of tough-looking bikers walked up to me, and one of them asked me where the phone was. I pointed it out, and the silence in the room let everybody overhear what the biker said into the receiver.

Hi, Mom. Just want to let you know I'll be home late tonight."

# Memorial Day

Memorial Day is officially celebrated on the last Monday during the month of May. Memorial Day is dedicated to service men and women who gave their lives for freedom and country. It is also a time to remember loved ones who have passed away. The roots of Memorial Day go back to 1865 and the end of the Civil War. Memorial Day was first called Decoration Day. It was changed to Memorial Day in 1882.

Memorial Day was traditionally held on the 30th of May. In 1971, Congress changed it to the last Monday in order to afford a three day holiday weekend. Regardless of the date, we encourage you to attend a parade, and to visit a cemetery to honor and remember our servicemen . Take time to remember lost loved ones.

## The Wisdom of God for the Best

By Sheila Gosney

It has been through the everyday issues of life  
that God showed me what can't be erased.  
For the trials of the journey became priceless treasures  
when they taught me to seek out His face!  
When the way seemed uncertain and I truly needed  
direction on how to proceed,  
I found that the silence between Heaven's answers  
would hold ALL of the PEACE I would need!  
It was in those times I felt utterly desperate  
with no resource but the POWER of prayer,  
That I came to realize that God made me desperate  
just to prove He was ALREADY there!  
It was there in the weakness of my own human nature  
that exhaustion left my heart asking, "Why?"  
But it was there Jesus taught me to rest in His Presence  
and to take from His endless supply!  
It was times of disappointment and continual roadblocks  
that showed me God's will is supreme!  
For beyond the disappointments He revealed greater purpose  
that was higher than my hopes & dreams!  
The hard times and trials have added up to give me  
the WISDOM of God for the best!  
For they changed me and showed me what I didn't know  
and I walked away KNOWING I'm blessed!

"My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience. But let patience have its perfect work, that you may be perfect and complete, lacking nothing. If any of you lacks wisdom, let him ask of God, Who gives to all liberally and without reproach, and it will be given to him. But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind. For let not that man suppose that he will receive anything from the Lord; he is a double-minded man, unstable in all his ways." (James 1:2-8 NKJV)

## PennDOT, Police Partnering for National Seat-Belt Enforcement 5/20/2013

Harrisburg – PennDOT will partner with more than 600 law enforcement agencies and the Pennsylvania State Police to participate in a national “Click It or Ticket” seat-belt enforcement effort from today, May 20, through June 9.

The effort will focus largely on nighttime enforcement, using traffic safety checkpoints and roving patrols. Police will also use Traffic Enforcement Zones, which combine roving patrol and checkpoint tactics on roadways with high numbers of unbuckled crashes.

“As the start of the summer travel season approaches, I strongly encourage everyone to buckle up every time, no matter how far you’re traveling,” PennDOT Secretary Barry J. Schoch said. “The majority of crashes happen within 25 miles from home, and you are 60 percent more likely to survive a crash if you’re buckled up.”

According to PennDOT data, 503 people died last year in unbelted crashes, a decrease from 509 such fatalities in 2011. The total number of crashes in which people were not wearing seat belts also decreased to 15,528, compared to 16,298 in 2011.

The majority of enforcement will occur at night, as 275 unbuckled fatalities occurred last year between 6 p.m. and 5:59 a.m. Of those, 170 occurred between 10 p.m. and 2:59 a.m. “With heavy traffic expected for the Memorial Day holiday weekend, it’s crucial that we encourage drivers now to make sure that all passengers are properly restrained whenever they travel,” State Police Commissioner Frank Noonan said.

“I’m again directing our troopers to adopt a zero-tolerance policy toward violations of the state’s seat belt and child passenger restraint laws during this campaign period.”

Motorists are reminded that Pennsylvania’s primary seat-belt law requires drivers and passengers under 18 years old to buckle up, and children under the age of four must be properly restrained in an approved child safety seat. Children ages 4 to 8 must be restrained in an appropriate booster seat. In addition, children ages 8 to 18 must be in a seat belt when riding anywhere in the vehicle.

Also, drivers and front-seat passengers 18 years-old or older are required to buckle up. If motorists are stopped for a traffic violation and are not wearing their seat belt, they can receive a second ticket and second fine.

Funding for this enforcement effort comes from part of PennDOT’s statewide distribution of \$1.7 million in federal funds from the National Highway Traffic Safety Administration.
