Where is Your Foundation?

Debbie Preuss, [Edited]

Where is your foundation?

Is it safe and sure?

When the storms of life come,

Will yours still endure?

What are you building on?

Your life, your heart, your hope?

What is there in your life,

That will help you cope?

Have you built on shifting sand,

On the values of this earth?

Where is your foundation?

Where do you find your worth?

Have you built your life

On the Solid Rock of Christ?

Where you have peace with God,

Because He paid the price.

Is He your foundation,

The center of your heart?

When the storms of life come,

Do you know He'll never part?

No matter what the forces,
That come against your soul -

If Christ is your foundation,

He will keep you whole.

Long after your life is over,

Your foundation will remain;

A glorious testimony,

To the power of Jesus' name.

So when others look back at your life,

One thing will endure:

That on the Rock of Jesus Christ,

Your foundation was secure.

PennDOT Urges All Vehicle Operators to Share the Road

Safety Reminders Shared in Recognition of Motorcycle Safety Awareness Month

Harrisburg – With temperatures rising and more motorcycles traveling on Pennsylvania roadways, PennDOT is urging motorists to share the road and watch out for motorcycles throughout the riding season.

“I urge all motorists to use common sense, obey the law and keep their attention solely on the task of driving,” PennDOT Secretary Barry J. Schoch said. “Our message to all drivers and motorcyclists is to share in the responsibility of keeping all road users safe, and do your part by safely sharing the road.”

To help avoid crashes with motorcycles, drivers should treat motorcycles as full-size vehicles with the same privileges as motorists. Motorcycles should be allowed a full-lane width – never try to share a lane – and provided with extra space since motorcycles can stop faster than automobiles. Motorists should also signal their intentions before changing lanes or merging with traffic, and be especially watchful for approaching motorcycles.

Motorists are cautioned that because of motorcycles’ size, they can be hidden by larger vehicles or be difficult to see. Drivers should also remember that road and weather conditions that are typically minor annoyances to motorists can pose major hazards to motorcyclists.

Motorcyclists should wear appropriate, brightly colored protective gear, using stickers or reflective tape to increase visibility; use turn signals combined with hand signals for every turn or lane change; and position themselves in the lane where they will be most visible to other drivers and never ride while impaired.

PennDOT data shows that nearly 4,000 crashes involving motorcycles occurred on Pennsylvania roadways in 2012, resulting in 210 motorcyclist fatalities. The number of registered motorcycles in Pennsylvania increased in 2012 by more than 5,500, while the number of licensed motorcyclists increased by more than 8,000.

Additional safety tips for motorists sharing the road with motorcycles are available on PennDOT’s website, www.DriveSafePA.org, under the Traffic Safety Information Center. Motorcyclists can find information on safety and training by visiting PennDOT’s interactive motorcycle website, www.LiveFreeRideAlive.com.

Jesus' Touch, Blessing, and Joy

And Jesus came and touched them. [Matthew 17:7 KJV](#)

Jesus' touch is like no other. He reaches out to us with the hand of a true servant— with the warmth of deep compassion, with the wonder of tender mercies, with the understanding of a caring shepherd, and with the grace of unconditional love. His hands assure us, His arms uphold us, His embrace affirms us; His touch renews us, restores us, revives us, and refreshes us. His touch is filled with the promises of love—His touch tells us that we are His, that He is near, that He is able, that we are cared for with the fullness of the Father's heart.

Jesus touched the children and blessings came upon them.

Jesus touched the lepers and they were completely cleansed.

Jesus touched the sick and they miraculously recovered.

Jesus touched the blind and their eyes were gloriously opened.

Jesus touched the brokenhearted and they were mended and made whole.

Jesus touched the fearful and peace returned to their troubled souls.

Whatever your need may be, Jesus' hand is extended to touch you, to bless you, and to bring His joy to you.

Jesus' Touch

Jesus, moved with compassion, stretched out His hand and touched him.

[Mark 1:41 NKJV](#)

Every time God touches your life, He leaves fingerprints of love.

Jesus' Blessing

I always do what pleases Him. [John 8:29 AMP](#)

Every time Jesus blesses you, He is pleasing His Father.

Jesus' Joy

Then they worshiped Him and returned to Jerusalem with great joy. [Luke 24:52](#)

When Jesus is at the heart of your worship, it moves you to the center of great joy.
