the Lord alone to save us.
Only He can help us;
He protects us like a shield.
Psalm 33:20 TLB*

Roy Lessin, meetmeinthemeadow.com

Let Him be the One—

- You come to...** Come to Me, all you who labor and are heavy-laden and overburdened, and I will cause you to rest. [I will ease and relieve and refresh your souls.] Matthew 11:28 AMP
- You call upon...** I will call upon the Lord, who is worthy to be praised; So shall I be saved from my enemies. Psalm 18:3 NKJV
- You listen to...** Oh, that My people would listen to Me, That Israel would walk in My ways! Psalm 81:13 NKJV
- You lean upon...** Be still and rest in the Lord; wait for Him and patiently lean yourself upon Him; fret not yourself because of him who prospers in his way, because of the man who brings wicked devices to pass. Psalm 37:7 AMP
- You cling to...** But cling to the Lord your God as you have done to this day. Joshua 23:8 AMP
- You depend upon...** We depend upon the Lord alone to save us. Only He can help us; He protects us like a shield. Psalm 33:20 TLB
- You wait upon...** But those who wait on the Lord Shall renew their strength. Isaiah 40:31 NKJV
- You feed upon...** I am the Bread of Life [that gives life—the Living Bread]... I [Myself] am this Living Bread that came down from heaven. If anyone eats of this Bread, he will live forever; and also the Bread that I shall give for the life of the world is My flesh (body). John 6:48, 51 AMP
- You look to...** Looking unto Jesus, the author and finisher of our faith. Hebrews 12:2 NKJV
- You live for...** For to me, living means living for Christ. Philippians 1:21 NLT

New PennDOT Videos Aim to Educate Pennsylvanians on Pedestrian Safety

7/11/2013

Harrisburg – PennDOT Secretary Barry J. Schoch today announced that the department has produced four new videos aimed at educating children, motorists and parents about pedestrian safety.

The videos can be viewed on the department's YouTube channel at www.youtube.com/pennsylvaniaDOT.

"Whether you're in a vehicle or a pedestrian walking across the street, we all have equal responsibilities to think of safety first on our roadways," Schoch said. "These videos are a great way to educate our youth on lifelong safe walking habits, and they're a resource for parents to help keep their kids safe."

Each video targets different audiences at various stages of learning pedestrian safety or driving near pedestrians. The videos are intended primarily for parents of elementary school students, elementary-school students, middle-school students and young or first-time drivers.

The videos for elementary- and middle-school students explain walking signals and scenarios, stress safe walking behaviors and reinforce who should accompany them. The video for parents demonstrates walking safety and emphasizes the importance of modeling safe behaviors for their children. Younger drivers are shown that with their driving freedom comes the responsibility of watching for travelers of all types, especially in school zones.

PennDOT data shows that in the past five years, there were 4,558 pedestrian injuries and 743 pedestrians lost their lives in Pennsylvania traffic crashes. In that same time period, there were 22,144 reported crashes involving pedestrians.

Of the pedestrians killed in crashes in the past five years, 86 were 18 years old or younger. Though those under 18 years old make up roughly 26 percent of the state's population, they accounted for 7,000, or 33 percent, of the total pedestrian injuries.
