What we do is *in* the Lord... this helps us understand our *position*. We serve from a place of rest and grace, and not from a place of striving or placing confidence in the flesh.

*But whatever I am now, it is all because God poured out his special favor on me—and not without results. For I have worked harder than any of the other apostles; yet it was not I but God who was working through me by his grace. 1 Corinthians 15:10 NLT*

As God's people, one of the privileges we have is to serve Him and make Him known in our generation. Our labor is a labor of love and here are a few "little words" that can help bring understanding to the serving we do...

What we do is *for* the Lord...this helps us understand our *mission*. All we do, we do in obedience to His will and calling upon our lives, and not because of our ambition or personal agenda.

What we do is *unto* the Lord... this helps us understand our *motivation*. All we do is to please Him and bring Him glory, instead of seeking to please others.

What we do is *with* the Lord... this helps us understand our *assignment*. All we do is as co-laborers with the Lord, and not as independent servants.

What we do is *because* of the Lord... this helps us understand our *stewardship*. All we do is in His vineyard. It is His work and His ministry, not our ministry or our work.

What we do is *in* the Lord... this helps us understand our *position*. We serve from a place of rest and grace, and not from a place of striving or placing confidence in the flesh.

What we do is *by* the Lord... this helps us understand our *source*. All we have comes from Him, and without Him we would be empty vessels with nothing to give.

What we do is *through* the Lord... this helps us understand our *effectiveness*. We serve with the strength and the power which He supplies, understanding that it is not by human might or power, but by the Lord's Spirit, that He does His work.

## For God's Blessing, Put Him First

by Rick Warren

*"You should live in a way that proves you belong to the God who calls you into his kingdom and glory." (1 Thessalonians 2:12 GW)*

The Kingdom of God is a present reality. It's what we're to be doing on the earth right now. The power of God is the present resource. It's the energy you get to do what God wants you to do once you're surrendered and submitted to his will.

God's glory is the reason. It's not the reality or the resource. It is the present reason for everything. It's all for God's glory.

Romans 11:36 says, *"Everything comes from him and exists by his power and is intended for his glory"* (NLT).

I talk to people all the time who say, "I have so much, and yet I feel unfulfilled. I've got a good family. I've got a good job. I've got great kids. I've got good friends. I've got a good congregation to be a part of. Why am I so unfulfilled?" It's because you were made for more than this! You were made for more than survival. You will never find fulfillment in life until you begin to live in God's Kingdom, by God's power, and for God's glory.

How do you live a fulfilled life — the kind of life that you were designed by God to live?

The Bible says in 1 Thessalonians 2:12, *"You should live in a way that proves you belong to the God who calls you into his kingdom and glory"* (GW).

What does it mean to live in God's Kingdom? It means you make God's agenda your agenda. You make God's will your will. You care about what God cares about. Whatever you want God to bless, put him first in that area.

What does it mean to put God first in your life? I made up a little acrostic, FIRST, to give you five things you need to put God first in.

Finances. If you want God to bless your finances, even during a recession, you must tithe. Sorry! There's no other alternative.

Interests. Put him first in your hobbies, your career, and your recreation. Give God first consideration in every decision.

Relationships. Put him first in your family, your marriage, and your friendships.

Schedule. That means you give him the first part of every day. You get up and sit on the side of your bed every morning and say, "God if I don't get anything else done today, I just want to love you a little bit more and know you a little bit better."

Troubles. You need to turn to God first when you have a problem. Prayer should never be your last resort. It should be your first choice.

### Talk It Over

- What do you need to change so that God is first in your finances, interests, relationships, and schedule?
- What is your first reaction to trouble?
- How can you develop a habit of prayer in your life?
