Jefferson Elder Care Family Caregiver Workshop

For individuals caring for a family member with dementia

Are you caring for a relative with memory loss, Alzheimer's disease or another type of dementia?

Is your relative agitated, refusing help, waking up at night, and/or wandering?

Our workshop for family caregivers provides a forum for individuals to learn new strategies for helping their relatives with dementia. Participants receive educational materials and resources. The objectives of the workshop move family members from knowledge and understanding of dementia to mastery in the use of specific strategies that are appropriate to their situation.

Through participation in the Family Caregiver Workshop, you will:

1. Understand dementia and why challenging behaviors occur.
2. Identify effective strategies for managing common behaviors.
3. Understand the importance of using activities.
4. Use stress management techniques and other methods for taking care of self.

When? Saturday, May 3rd from 9:00 - 12:00
(care provided during workshop make reservation with Kim 610 363-8044)

Where? Adult Care of Chester County, 201 Sharp Lane, Exton PA
