I MISSED IT ... WHICH ONE CAME FIRST?

The Gift of Today

We only have today! There is no going back to tomorrow--we can't fix, undo or change it. And we can't know about tomorrow until tomorrow, no matter how much we plan and prepare for it. We can be ready for it but we can't control it. All we really have is this very day. It is our one of the most wonderful gifts we will ever receive. We are given today to make choices that will impact others, bring change to our lives and to make a difference! What will you do with this beautiful gift? There is no present like the present. Receive it with gratitude and make the very most of this wonderful day!
