## 1 John 4:7-12

God loves first. We respond! That's the way it works. Then we spread God's love around by loving each other. That's what 1 John 4 talks about. Find all the words in bold & italic from parts of 1 John 4 below.

Dear *friends*, let us love one another, for *love* comes from God. *Everyone* who *loves* has been *born* of God and *knows* God. This is love: not that we *loved* God, but that he loved us and sent his Son as an *atonement sacrifice* for our *sins*. Dear friends, since God so loved us, we also *ought* to love one *another*. No one has ever *seen* God; but if we love one another, God *lives* in us and his love is made *complete* in us

## Holidays & Other Days of Note

February 20 - President's Day  
March 12 - Daylight Savings Time Begins - we lose an hour!

Presidents' Day is an American holiday celebrated on the third Monday in February. Originally established in 1885 in recognition of President George Washington, it is still officially called "Washington's Birthday" by the federal government. Traditionally celebrated on February 22—Washington's actual day of birth—the holiday became popularly known as Presidents' Day after it was moved as part of 1971's Uniform Monday Holiday Act, an attempt to create more three-day weekends for the nation's workers. While several states still have individual holidays honoring the birthdays of Washington, Abraham Lincoln and other figures, Presidents' Day is now popularly viewed as a day to celebrate all U.S. presidents past and present.
